## **Issues**

1. Were the disputed services subject to a specific fee schedule set in a contract between the parties that complies with the requirements of Labor Code §413.011?
2. Can the maximum allowable reimbursement (MAR) amount for the disputed services be determined according to 28 Texas Administrative Code §134.404(f)?
3. Did the facility or a surgical implant provider request separate reimbursement for implantables in accordance with 28 Texas Administrative Code §134.404(g)?
4. Is the requestor entitled to reimbursement for the disputed services?

## **Findings**

1. No documentation was found to support a contractual agreement between the parties to this dispute. Therefore, the Division concludes that the disputed services are not included in a specific fee schedule set in a contract that complies with the requirements of Labor Code §413.011.
2. Review of the submitted documentation finds that the maximum allowable reimbursement (MAR) amount for the disputed services can be determined according to 28 Texas Administrative Code §134.404(f).

3. Review of the submitted documentation finds no request for separate reimbursement of implantables in accordance with 28 Texas Administrative Code §134.404(g).
4. Reimbursement for the disputed services is calculated in accordance with 28 TAC §134.404(f)(1)(A) as follows:

The Medicare facility-specific reimbursement amount including outlier payment amount for DRG 914 is \$4,492.92.

This amount multiplied by 143% is \$6,424.88.

The total maximum allowable reimbursement (MAR) is \$6,424.88.

This amount less the amount previously paid by the respondent of \$6,185.50 leaves an amount due to the requestor of \$239.38.

The Division concludes that the requestor is entitled to \$239.38 additional reimbursement.

### **Conclusion**

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$239.38.

### ***ORDER***

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby **ORDERS** the respondent to remit to the requestor the amount of \$239.38 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
